

Our Services

Casa Isabella II LLC is a privately owned licensed residential Care Facility for the Elderly (RCFE). Our mission is to provide the finest care to our residents in a loving and nurturing atmosphere.

Casa Isabella II LLC is a modern residential care facility located in Benicia, CA. We provide individualized care, supervision and assistance with activities of daily living for our residents.

At Casa Isabella II LLC, we provide the general necessities of life and much more, like:

- Personal Care Assistance.
- Serve healthy meals including in-between snacks.
- Provide activities for mental and physical.
- Making sure every appointment won't be missed especially doctor's appointments.
- Well-trained caregivers for individualized care will always be ready for you.

Our Mission

We provide and retain the most compassionate, effective quality care options for all clients we serve.

We create a living environment that is safe and supportive to acquire and maintain the optimum degree of wellness and independence possible for the client within their living environment.

We ensure that our employees are trained and qualified to perform their skills in providing home care.

We guarantee the safety of the clients and staff to work efficiently and independently within a team framework to ensure client satisfaction.

Our Values

We are dedicated to the values of credibility, integrity, quality, compassion, prompt service, and professionalism. With these values, we strive to gain public trust and accomplish our mission while nurturing our vision. We believe that economic success, a sound financial base and prudent risk taking are fundamental to the fulfillment of our mission.
