About Us

Casa Isabella II LLC is a family oriented assisted living, board and care home which is fully wheelchair accessible, designed with six senior residents in mind. We are a privately owned licensed Residential Care Facility for the Elderly (RCFE). We provide general necessities as well as modern amenities such as:

AROUND THE CLOCK CARE: Our staff are the finest trained caregivers focusing on individualized person centered care and are always friendly and attentive. We provide assistance with daily living skills as well as arranging family visitation and medical appointments, ensuring that our residents needs are met 24-7.

ACTIVITIES: Regular mentally and physically stimulating senior activities which encourage interaction and fun.

LIVING ARRANGEMENTS: We have an elegant dining room where we provide healthy meals and nutritious snacks. We have 2 shared and 2 private rooms. Spotless and beautifully appointed furnishing both inside and out.

Our Philosophy

At Casa Isabella II LLC, we take pride in providing much needed services to our residents and their families. With a person centered approach fostering personal independence, community and social interaction, we take the utmost care for each resident's abilities and capacities. We believe in creating a harmonious, safe and stable milieu where cherished relationships can develop between peers and staff alike. We believe that independence, interaction and relationships, in the least restrictive environment possible, are the hallmarks of wellness and longevity.

We look forward to serving you. Thank you for choosing Casa Isabella II LLC!
